

No.F.16-3/2021-MD  
Government of Pakistan  
Ministry of National Health Services, Regulations & Coordination  
Drug Regulatory Authority of Pakistan  
\*\*\*\*\*

Islamabad the 26<sup>th</sup> August, 2021.

Subject:- **ONLINE SUBMISSION OF LICENCE APPLICATIONS OF MEDICAL DEVICES**

I am directed to refer to the subject cited above and to state that in line with the Government of Pakistan's initiative for ease of doing business, DRAP has developed an online system for processing of applications of establishment license to import or manufacture medical devices. The web portal is available on the home page of DRAP website ([www.dra.gov.pk](http://www.dra.gov.pk)) under the heading of DRAP MIS System, titled *MDMC Online System For Establishment of License* (<https://e.dra.gov.pk/login>). The user guide is also available on the home page of the website.

2. The above mentioned portal is for new applicants as well as for renewal applications of establishment license to import or manufacture medical devices. Moreover, the firm already possessing license to import or manufacture medical devices (ELI or ELM respectively) shall also enter their particulars in the said system so that their applications for post licensing variations, enlistment/registration of their medical devices and subsequently renewal may be processed in the future.

3. You are, therefore, advised to direct your member companies/relevant stakeholders to compulsorily register on the above mentioned portal and submit their applications online.

  
(Dr. Ghazanfar Ali Khan)  
Additional Director (MDMG)
